FORMS MANAGEMENT CENTER

ELECTRONIC FORMS SOLUTIONS

We are *the source* for Automated STD. Forms!

Revised Pricing!

New focus on providing cost-effective electronic forms solutions!

Dedicated to providing pre- and post-sales support!

New! Forms Consultants specializing in electronic forms and workflow solutions to assist you in your efforts to automate your office and reduce costs!

Updated electronic forms products work with version 2.22 of JetForm FormFlow Filler™ and Adobe Acrobat Reader™ 4.0!

Here's what we offer:

Services

- *Electronic Forms Design*: Our experienced forms designers can design your paper departmental forms in FormFlow™ or Adobe Acrobat™ format. Also, ask about our conversion services for forms that are already in electronic format.
- *Custom Application Design*: Duplicate your paper workflow by routing electronic forms through your e-mail! Share and analyze data from multiple forms! Authorized JetForm System Engineers are available to implement these types of projects.
- *Introduction to Electronic Forms* training class: Attend this 3-hour lecture-only class and learn how to implement an electronic forms program and examine its advantages and pitfalls.

Products

- *Automated STD. Forms*: Reduce or eliminate form printing and storage costs by choosing from a selection of over 100 STD. forms electronically formatted for JetForm FormFlow and Adobe Acrobat.
- *Automated Contracts Catalog* (ACC): Reduce your contracts processing time over 60% with this easy-to-use integrated application!
- *Automated Forms Catalog* (AFC): Reduce form processing time and errors with AFC's data-sharing capability!
- *FMC Website*: A one-stop resource for FREE online use of STD. Fill & Print eForms and other forms management information:
